

OREGON MYCOLOGICAL SOCIETY SCHOLARSHIPS

PURPOSE: The goal of the OMS scholarship is to recognize student achievement and to encourage students to pursue the study of mycology. Our intent is to award primarily to student researchers/graduates in the Pacific NW who are conducting research in mycology.

EXPECTATIONS: The award recipient will be expected to deliver a presentation at a monthly meeting of the Oregon Mycological Society. The presentation will be at least 1/2 hour in duration and will be presented within one year after receiving the award. Award recipients will receive half of the award when the award is announced, and the second half after delivering the presentation. The award recipient must acknowledge OMS as a financial contributor in all articles and presentations produced in the course of the project for which the scholarship is awarded.

AWARDS: Up to two students will receive \$1500 each for exemplary research, especially in the field of mycology.

JUDGING: Although applications are welcome at any time, all applications must be received by May 31st. The scholarship committee will review all applications and announce recipients within 4 weeks. Winning applicants will be notified by e-mail or telephone.

SUBMISSIONS: All Applications should be e-mailed to:
